A large group of people in various costumes (Spider-Man, Star Wars, etc.) posing for a photo in a modern office setting. The image is framed by a dark, stylized border featuring Halloween-themed characters like Jack-o'-lanterns and witches.

A glowing jack-o'-lantern with a carved face, set against a dark background. The pumpkin is illuminated from within, casting a warm orange light. The carved features include triangular eyes, a triangular nose, and a wide, jagged mouth. A small, dark stem is visible at the top.
